

Purchase of a Freehold Property

HOW LONG WILL MY HOUSE PURCHASE TAKE?

How long it will take from your offer being accepted until you can move in to your house will depend on a number of factors. The typical process takes between 6 - 10 weeks. It can be quicker or slower, depending on the parties in the chain. For example, if you are a first time buyer, purchasing a new build property with a mortgage in principle, it could take several months as the timing will depend on how long it takes to build and finish your new home.
